Learning Objectives

To identify key points within the intricate relationship between affective disorders and artistic creativity.

To recognize and discuss central concepts regarding the interactions between affective disorders, substance-related disorders, family history, intergenerational suicide, and suicide risk factors.

The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center at San Antonio School of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Texas State Board of Psychologists recognizes each session for Category 1 Continuing Education Credit.
