

Department of Psychiatry

Grand Rounds

George Perry, PhD

Dean of College of Sciences UTSA

Role of Mitochondria in the Oxidative Stress of Alzheimer Disease

Learning Objectives:

To define damage of Alzheimer disease

To describe the role of mitochondria in Alzheimer disease

To define the neuronal death in Alzheimer disease

The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center at San Antonio School of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Texas State Board of Psychologists recognizes each session for Category 1 Continuing Education Credit.

Financial Disclosure:
