

Department of Psychiatry

Grand Rounds

Steven R. Pliszka, MD

Dielmann Distinguished Professor and Chair

Cases so Complicated They're Easy:
Managing Difficult Patients with Limited
Resources

Learning Objectives

- To describe the limits of a DSM-5 diagnosis in determining a treatment plan.
- To delineate the appropriate roles of psychopharmacology, case management and psychotherapy
- To develop both pharmacological and psychological techniques for dealing with treatment resistant psychiatric disorders.

The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center at San Antonio School of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Texas State Board of Psychologists recognizes each session for Category 1 Continuing Education Credit.
