Opioid Agonist Maintenance: History, Rationale, and Efficacy

Texas Medical Board of Ethics

This presentation meets the Texas Medical Board criteria for formal continuing medical education involving the study of medical ethics and/or professional responsibility.

Learning Objectives:

- To understand the history of opioid prescribing in the US and how current laws regarding control of opioid prescribing developed.
- To understand the rationale for opioid maintenance treatment and its proven superior effectiveness for chronic severe opioid use disorder
- To Understand how the stigma of opioid maintenance can be viewed as an ethical impediment to effective treatment for patients with chronic severe opioid use disorder .

The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center at San Antonio School of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Texas State Board of Psychologists recognizes each session for Category 1 Continuing Education Credit.
