Learning Objectives

To describe the impact of real-life and media violence on youth.

To explain different aspects of desensitization to violence and its consequences on youth adjustment.

The UT Health Science Center at San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center at San Antonio School of Medicine designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits. Physicians should claim only credit commensurate with the extent of their participation in the activity. The Texas State Board of Psychologists recognizes each session for Category 1 Continuing Education Credit.
